SHIP ON THE SEVEN SEAS

American ships, flying the Stars and Stripes will carry you and your goods anywhere

Two and three generations ago, the Stars and Stripes were all over the world. Then they almost vanished from the seven seas. But today they are back again.

Big splendid steamers, American owned and operated, carrying passengers and goods, are traveling their way over all foreign harbors with the Stars and Stripes proudly fluttering from their masts.

American exporters, importers, travelers—all can help by shipping and sailing under the Stars and Stripes.
